

# Santa's Toy Factory

Dear Jimmy,

Hello there, and Ho, Ho, Ho. I am getting soooo excited! I can't wait for Christmas Eve! I bet that you, Emma, and Henry are getting excited too. It won't be long before the Reindeer and I make our way to Glen Ellyn for a visit. Everything is almost ready and I'm about to check my list again.

You are 10 years old now? Wow, you are growing so fast! My elf Cookie tells me that you really enjoy playing Soccer. That's great. I love that! Our favorite thing to do up here at the North Pole, when we aren't working, is to have giant snowball fights. The elves are very good at sneaking up on me, especially Cookie. We all have so much fun together, just like you and Bobby do. Good friends make everything more fun!

Well, I had better grab a few sugar cookies and get back to work. There are still some toys that need to be wrapped, and I should check on the Reindeer, and make sure that they are getting some rest. I hear that you would like some Star Wars Legos for Christmas.

I'm sure that the elves have already packed something special on the sleigh, just for you. Make sure that you are being kind, and helpful, and don't forget to get to bed early on Christmas Eve.

**Merry Christmas!**
